
Bibek Das

Web Developer

Contact: 27/79 K.M Naskar Road, Kolkata-700040

Ph no: +91-9614248494

Email: dasbibek189@gmail.com

SKILLS

- **Programming Languages:** C, PHP
- **Frameworks:** Laravel 5.2, Bootstrap 3.
- **Database:** MySQL
- **Web:** HTML5, CSS3, Javascript and JQuery.

EXPERIENCE

Backend Intern at InternStreet

DEC 2016 - PRESENT

- Worked on the admin dashboard to manage the student leads coming in from the contact page. Created a simple mailer app to send emails to students who have shown interest in taking the course.

PROJECTS

Eventment (<http://eventment.in/>)

January 2017 - Present

- Eventment is an event management website where users can view the list of packages and services offered under different categories like Bachelor's party, Birthday Decoration, Experience for couple etc. Users can view more details and contact the owner if interested in booking a particular package.
- Worked on the backend part of the website from scratch to finish using PHP, Laravel 5.2 and MySQL.

Email Sender Web app

Dec 2016 - Jan 2017

- Integrated an email sender feature using the Mailgun API in Laravel 5.2
- Emails can be sent to the users directly from the admin dashboard.

EDUCATION

Calcutta Institute of Engineering and Management, Kolkata

May 2016

B.Tech in information technology (CGPA: 7.3)

EXTRA CURRICULAR ACTIVITIES

Participated college football tournament named tornio.
